

## Larry Cohen's 2/1

Goren was replaced by Standard American and now Standard American is being replaced by 2/1. Have you noticed how many intermediate and advanced players use this system now instead of SAYC? Many bridge teachers are using 2/1 for their novice classes because this bidding system, overall, tends to be more accurate resulting in improved results. It is not a difficult transition from S.A. to 2/1 and Larry's easy to understand booklet is great guide on how to use 90% of the 2/1 system. Even if you do not intend on switching systems, attending this course will help you defend and bid more effectively against teams who do use it. The cost of this 6 week course is \$55.00 and the textbook is mandatory at a cost of \$20.00 or it can be purchased as an eBook through Amazon for \$9.99.
